This is the Brand our grandparents drove. It’s the Brand that started with humble beginnings but now boasts intense horsepower ratings and must-have technology. It’s the Brand that doles out both style and power, and never makes you choose between the two. With more than 100 years under their belts, each vehicle in the 2017 Dodge lineup pays homage to its iconic bloodline with award-winning features and superior craftsmanship. The powerful engines and bold exteriors of each vehicle beg to be taken out on the open road. The Dodge name continues to live on with the same determination that the Dodge brothers had when first creating the Brand. It’s time to put the pedal to the metal and live fast.
It’s time to take to the streets. To the trail that leads to the cabin on the lake. Or to the city that’s been on the bucket list for years. It’s time to get behind the wheel of a Dodge Journey and make the most of the everyday excursions as well as the ones you write home about. The power to explore comes from available all-wheel drive (AWD) and engine options that are as efficient as they are capable. And with available seven-passenger seating and loads of technology, there’s room and entertainment for everyone. It’s time to get up and go, your Journey awaits.

///// Journey SXT shown in Redline 2K with Blacktop Package.
TAKE IT ANYWHERE

Urban chic or kick-back casual, you could say Journey is the new Black. Its jeweled wraparound headlamps, highly sculpted front fascia and split-crosshair honeycomb grille are perfectly suited for city streets. The rugged stance, five doors and available ring-of-fire LED taillamps make it ready for excursions that require more than an overnight bag.

Journey Crossroad is set apart by a robust exterior with unique front and rear fascias with Platinum accents, distinctive 19-inch aluminum wheels and a Gloss Black grille with fog lamp bezels. GT models wear their badging with 19-inch aluminum wheels, a monochromatic exterior and dual exhaust with bright tips.
ROOM FOR EVERYTHING

BUT COMPROMISE

The buck stops here. Journey’s interior gives, never takes. It starts with must-have features like Dual-Zone Temperature Control, stadium seating, soft-touch surfaces, and flexible five- or seven-passenger seating. Opt for a 10-way power driver’s seat including four-way lumbar adjuster, heated front seats and a full-circumference heated steering wheel for greater luxury. With 90-degree rear-door openings and available Tilt ’n Slide second-row seats, accessing the available third-row seats is effortless. A standard center console boasts 12-volt power outlets, a remote USB port, and auxiliary audio input and storage. An available 115-volt/150-watt two-prong outlet easily powers portable game devices or audio hookups. Second- and third-row passengers can access the available Rear DVD Entertainment System that features a nine-inch screen, premium speakers, two sets of wireless headphones and a remote control.

///// Journey GT shown with Black leather trim with perforated inserts and Red accent stitching. /////
Opt for the available 8.4-inch touchscreen. This screen features icons used for radio and SiriusXM® Satellite Radio controls, personal devices like an iPod® or smartphone, climate controls, and available navigation and Bluetooth® compatible phones. Bring your own tunes via remote USB port with an iPod mobile device control or Bluetooth Wireless Streaming. Available hands-free calling can be operated through steering wheel-mounted controls or the touchscreen. It’s just that simple. Visit driveuconnect.com for a list of available options.

A note about this brochure: all disclaimers and disclosures can be found on page 22.
Properly secure all cargo.
CARGO AREA ////// A standard hidden storage bin and access door to the tool and jack compartment are located behind the rear seat. When hauling gear is the priority, simply fold down the second- and available third-row seats for up to 67.6 cu ft of cargo capacity. Five-passenger models feature a tri-fold load floor with in-floor storage bin.

DUAL IN-FLOOR STORAGE ////// The second-row floor provides even more clever storage. Two in-floor storage bins with latching lids can each hold up to a dozen 12-oz cans, plus ice. For added convenience, these bins have removable, washable liners so they’re a snap to clean, and make the perfect tailgating accessory.

FLIP 'N STOW ////// This available fold-flat front-passenger seat flips forward to reveal a bin ideal for concealing a camera or tablet.

VERSATILITY

CENTER FLOOR CONSOLE ////// This deep, easy-to-access console features cup holders, 12-volt outlets, remote USB port, auxiliary audio input and out-of-view storage.

STORAGE POCKETS ////// Found on all four passenger doors, molded storage pockets give you more places to stash your travel items, as well as 20-oz drink containers and more.

SECOND-ROW INTEGRATED CHILD BOOSTER SEATS ////// There’s no need to fumble with bulky, heavy booster seats anymore. Opt for the integrated child booster seat and you’re good to go.

REAR CUP HOLDERS ////// Cup holders conveniently located in the rear quarter trim panel accommodate 20-oz drinks or juice boxes. Two more cup holders can be found in the second-row fold-down armrest.

Properly Secure all cargo.
PACKED FOR ACTION

4 ///// Dual in-floor storage
5 ///// Cargo area storage
IT’S OUT THERE: GO GET IT.

Journey’s confident swagger comes from its advanced automotive engine technology and the sure-footedness of available all-wheel drive (AWD). Journey helps you make the most out of your travels, without having to choose between performance and efficiency.

Journey offers two different but equally impressive powertrains. It starts with a responsive 2.4-liter DOHC 16-valve dual Variable Valve Timing (VVT) engine that produces 173 horses and generates up to 25 mpg highway.* If a bigger performance boost is what you crave, step up to the available award-winning 3.6-liter DOHC Pentastar® VVT V6 engine. This powerplant is mated to a smooth-shifting six-speed automatic and delivers 283 horsepower and up to an impressive 25 mpg highway;† and allows you to travel over 500 miles on a single tank of gas.

Sometimes getting away from it all means taking a lot with you. Whether you’re towing a boat or an ATV or hauling camping gear, Journey’s measured muscle easily handles up to 2,500 lb when properly equipped. Standard Trailer Sway Damping helps maintain control of the load being pulled.

Tackle Mother Nature’s handiwork with available AWD capability. The system makes it easier to drive on snowy, wet or ice-laden roads. When the system senses wheel slippage, it immediately responds with a transfer of power to the rear wheels for a very noticeable uptick in driving performance.

*EPA estimated 19 mpg city/25 mpg highway. Actual mileage may vary.
†EPA estimated 17 mpg city/25 mpg highway (FWD), 16 mpg city/24 mpg highway (AWD). Actual mileage may vary.
MORE INTERIOR CHOICES FEATURED ON THE NEXT PAGE.

9 /// 19-inch Chrome-clad Aluminum (included in Chrome Appearance Group on SXT)
HERE’S WHAT YOU CAN DO: REMAIN FOCUSED ON THE ROAD WITH YOUR HANDS ON THE WHEEL, WHILE YOU COMMUNICATE, NAVIGATE AND STAY ENTERTAINED.

/// LISTEN to music, talk shows and sports; access all genres, favorite artists, winning teams — all the time with SiriusXM® Satellite Radio[3] /// DISCOVER new places, find the best shopping, dancing, entertainment venues and restaurants /// SPEAK UP and be heard, send and receive calls and texts[4] while driving safely with hands-free phone capability[2] /// NAVIGATE to every adventure, get turn-by-turn directions so you don’t get lost on the way (unless you want to) /// START your car from afar, get your engine running, unlock your door or flash your headlamps from almost anywhere using your smartphone /// SEE into the future, hear weather and traffic reports* with a five-year trial subscription to SiriusXM Travel Link[3] and SiriusXM Traffic[3] /// HOST a hotspot, upload and download, post and search — Uconnect® with available 3G WiFi[3] lets you connect your devices to the Web /// ASSISTED in emergencies, reach 9-1-1 Call[10] operators and Roadside Assistance Call[11] with the touch of a button.

*Additional charges may apply.
SAFETY & SECURITY FEATURES

PARKSENSE® REAR PARK ASSIST(12) /// When the vehicle is in Reverse, this system can sense objects at low speeds; if imminent collision is detected, the system will provide a momentary, autonomous brake pulse. In certain circumstances, this system can help bring the vehicle to a stop. Available on Durango. For Journey and Grand Caravan, this available system detects objects within 5 feet of the backup pathway and provides both an audible chime and visual warning.

RAIN BRAKE SUPPORT /// When the windshield wipers have been activated, the system pulses the brake pads closer to the spinning rotors, helping to keep the rotors and pads dry for greater control and operator security. Standard on Durango.

BLIND SPOT MONITORING (BSM)(7) WITH REAR CROSS-PATH DETECTION(12) /// Radar continually monitors rear vehicle blind zones and will visually and audibly alert the driver when a vehicle is sensed in the zones. When the vehicle is in Reverse, rear sensors warn through a chime if cross-traffic approaches the vehicle. Available on Durango and Grand Caravan.

ADAPTIVE CRUISE CONTROL (ACC)(13) WITH STOP /// Helps maintain driver-selected distance from the vehicle ahead; under certain traffic conditions, the system can bring the vehicle to a full stop without driver intervention. Available on Durango.

FORWARD COLLISION WARNING (FCW)(14) WITH ACTIVE BRAKING /// Forward-facing radar sensors detect when the vehicle may be approaching another object too rapidly and the system alerts the driver with both an audible chime and a visual warning. Available on Durango.

PARKVIEW® REAR BACK-UP CAMERA(12) /// This system displays an accurate visual reference of what is behind the vehicle when it's in Reverse. Available on Durango, Journey and Grand Caravan.

READY ALERT BRAKING (RAB) /// The system anticipates situations when the driver may initiate an emergency brake stop and uses the Electronic Stability Control (ESC)(5) pump to precharge the brake system in order to decrease the time required for full brake application. Standard on Durango.

ELECTRONIC STABILITY CONTROL (ESC)(5) /// This system is designed to assist drivers in maintaining control of their vehicle during extreme steering maneuvers. ESC(5) senses when a vehicle is starting to spin (oversteer) or plow (understeer), and attempts to correct the vehicle's course by automatically controlling the throttle and applying the brakes at individual wheels. Standard on Durango, Journey and Grand Caravan.

ALL-WHEEL DRIVE (AWD) /// A system that automatically detects wheel-slip and sends additional power to the wheels with the most traction. Available on Durango and Journey.

ANTILOCK BRAKE SYSTEM (ABS) /// Standard four-wheel antilock disc brakes sense and prevent wheel lockup, offering improved steering control under extreme braking and/or slippery conditions. Standard on Durango, Journey and Grand Caravan.
Check out an extensive line of gifts and gear for the Dodge enthusiast. From authentic apparel to die-cast replica cars for the collector, as well as electronics and office supplies, all lifestyle items are as bold as your Dodge vehicle. Refer to dodge.com/life for our full product lineup.
The story of Mopar began nearly 80 years ago with a focus on motor parts and the introduction of a simple can of antifreeze. Through the decades, we have grown into so much more. Today, as the official service, parts and customer care provider for FCA US LLC Brand vehicles, we walk alongside you as your partner in the vehicle ownership experience. That’s why we offer authentic parts and accessories designed by the same engineers that created your vehicle to make it truly yours. It’s why our team is comprised of expert dealer technicians who know your make and model best, armed with leading-edge diagnostic technology no one else can match. And it’s why we’ve created unique services like Mopar Owner Connect, Express Lane Service and Mopar Vehicle Protection™ plans to offer convenience and peace of mind. In short, we are not only here to service cars, trucks, minivans and SUVs — we are here to service people’s lives. It’s this commitment that fuels who we are. And it’s our promise to you that Mopar will always be at your service. See your dealer for the full line of Authentic Accessories available for your Dodge vehicle, or visit mopar.com.

**MECHANICAL FEATURES**

- ALL-WHEEL-DRIVE (AWD) SYSTEM (requires 3.6L V6 and 6-speed transmission)
- ENGINE BLOCK HEATER
- FUEL TANK — 20.5-gallon (FWD only)
- — 21.1-gallon (AWD only)
- REMOTE START SYSTEM — Included with Popular Equipment Group
- SPEED CONTROL
- SUSPENSION — High-performance
- — Normal-duty (FWD only)
- — Performance (AWD only)
- — Touring (included with Blacktop Package on SXT regardless of engine) (FWD only)

**EXTERIOR FEATURES**

- DOOR HANDLES — Body-color
- — Bright (included with Chrome Appearance Group)
- EXHAUST TIPS — Dual, bright (included with 3.6L V6 engine)
- HEADLAMPS — Automatic
- — Daytime Running Lamps (DRLs)
- — Fog lamps
- — Headlamps-off time delay
- MIRRORS — Black, foldaway, power, heated
- — Body-color, foldaway, power, heated
- — Chrome (included with Blacktop Package)
- — Side rails, Platinum Chrome
- — Side rails, Black (included in Chrome Appearance Group)
- — Standard (AWD SE only)
- TIRES — 225/55R19 BSW All-Season Touring (packaged with WPN, WPX or WP9 wheels on SXT)
- — P225/65R17 BSW All-Season Touring
- — Spare, compact
- — Variable/intermittent windshield and rear window

**INTERIOR FEATURES**

- AIR CONDITIONING — Dual-Zone temperature control
- — Dual-Zone Automatic Temperature Control (ATC) with humidity sensor (included with Radio 8.4 without 3rd-row seat)

---

**INTERIOR FEATURES (continued)**

- ASSIST HANDLE — Front-passerger (included with Popular Equipment Group, ATC or 3-Zone temperature control)
- CARGO NET
- CONSOLE — Full-length floor
- — Overhead with interior observation mirror, sunglasses holder and trip computer with temperature and compass (included with Popular Equipment Group, ATC or 3-Zone temperature control)
- DEFROSTER — Rear window
- ELECTRONIC VEHICLE INFORMATION CENTER (EVIC)
- INTERIOR ACCENTS — Base door trim panel
- — Door trim panel with accent stitching
- — Door trim panel
- LATCH — Child Seat Anchor System
- LIGHTING — Driver and front-passenger footwell LED lamps
- — Front and rear swiveling LED lamps (included with ATC or 3-Zone air conditioning)
- — Front courtesy/rear lamps
- — Rearview auto-dimming with microphone (included with Uconnect® Voice Command®)
- — Interior observation (included with Popular Equipment Group and Premium Group)
- POWER ACCESSORIES — 12-volt, auxiliary
- — 12-volt, DC, front and rear
- — 12-volt, in center console
- — 115-volt auxiliary outlet
- SHIFT KNOB — Leather-wrapped
- — Dimpled leather-wrapped
- STEERING WHEEL — Mounted audio controls
- — Leather-wrapped (included with Popular Equipment Group, Premium Group and Uconnect Voice Command®)
- — Heated (included with heated front seats, leather-trimmed bucket seats and Popular Equipment Group)
- — Dimpled leather-wrapped
- STORAGE — Front-passenger Flip’ n Stow™ in-seat (included with Premium Group, premium cloth and leather-trimmed seats)
- — 2nd-row in-floor bins

• = Included. O = Optional. P = Available within Package noted.
**INTERIOR FEATURES (continued)**

**SUNROOF** — Power with express-open/close

**UNIVERSAL GARAGE DOOR OPENER** — Included with Navigation & Back-Up Camera Group, Driver Convenience Group, Premium Sound Group, air conditioning with 3-Zone temperature control on Crossroad and Popular Equipment Group

**V-dis®*** — Driver’s-side sun with mirror

— Passenger-side
— Driver’s-side and front-passenger sun with illuminated vanity mirrors (included with Popular Equipment Group, Automatic Temperature Control (ATC) air conditioning and manual 3-Zone air conditioning on Crossroad)

**WINDOWS** — Power front with driver’s 1-touch down
— Power front 1-touch up/down

**SEATS**

— Manual driver’s height adjuster (included with *E5 seat)
— Power 4-way driver’s lumbar adjuster (included with power driver’s seat or Premium Group)
— Power 6-way driver’s (included with Premium Group)
— Heated (included with *HL and *AL seats and Popular Equipment Group)
— Air-conditioned (included with Popular Equipment Group)
— 2nd-ROW — Easy Entry 40/60 Tilt ’n Slide with recline (included with Flexible Seating Group)
— 3rd-ROW — 50/50 fold-flat with recline (included with Flexible Seating Group)
— With 2 child boosters (requires Flexible Seating Group)

**UCONNECT®/MULTIMEDIA**

— Radio 4.3: 4.3-inch touchscreen, AM/FM radio, SiriusXM Satellite Radio® and SiriusXM Travel Link® (requires 6 speakers with subwoofer for GT)
— Radio 8.4: 8.4-inch touchscreen, AM/FM radio, SiriusXM Satellite Radio® and SiriusXM Travel Link® (requires 6 speakers with subwoofer for GT)
— Radio 8.4 NAV: 8.4-inch touchscreen, AM/FM radio, SiriusXM Satellite Radio® and SiriusXM Travel Link® (requires 6 speakers with subwoofer for GT)
— SiriusXM Satellite Radio® (requires 6 speakers with subwoofer for GT)

**SIRIUSXM SATELLITE RADIO** — Includes 1-year trial subscription (included with Premium Group or REB, NE2 and RBS radios)

**SPEAKER SYSTEMS** — 6
— 6 premium, subwoofer and 368-watt amplifier (included with Rear-Seat Video Group I and Premium Sound Group)

**UCONNECT VOICE COMMAND® WITH BLUETOOTH** — Included with RBS Radio, includes auto-dimming rearview mirror with microphone

**SAFETY & SECURITY**

**ACTIVE HEAD RESTRAINTS** — Front seats

**AIR BAGS** — Advanced multistage front

— Driver’s-side inflatable knee blocker

- = Included. 0 = Optional. P = Available within Package noted.
[1] Based on 2016 Ward’s Mid-size Sport Utility Vehicle. Excludes other FCA US LLC vehicles. [2] Requires a mobile phone equipped with the Bluetooth Hands-Free Profile. Visit UconnectPhone.com for system and device compatibility. [3] SiriusXM subscriptions for audio and data services are sold by SiriusXM to follow your trial subscription. If you decide to continue listening after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See the SiriusXM Customer Agreement for complete terms and more information at www.siriusxm.com. All fees and programming subject to change. Your equipment and features for SiriusXM services will vary depending upon the vehicle you select and may be limited in select markets. [4] For children 4’ - 6’ 8” and up to 4’9” [5] No system, no matter how sophisticated, can replace the laws of physics or overcome careless driving habits. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. [6] The Advanced Front Air Bags in this vehicle are certified to the new U.S. Federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. [7] Always check visually for vehicles prior to changing lanes. [8] Voice Text Reply and Voice Texting features require a compatible mobile device enabled with Bluetooth Message Access Profile (MP). iPhone and some other smartphones do not currently support Bluetooth MP. Visit UconnectPhone.com for systems and device compatibility. [9] WiFi subscription required. Vehicle must be registered with Uconnect Access and you must fulfill minimum subscription requirements. Also requires the use of a compatible smartphone that supports text messaging and Bluetooth. Visit UconnectPhone.com for system and device compatibility. [10] 9-1-1 Call button will connect you directly with Emergency Assistance. If you accidentally press the button, you have 10 seconds to cancel the call by either pressing the 9-1-1 button on the rearview mirror or the Cancel button on the Uconnect touchscreen. [11] Provides direct-dial access to Roadside Assistance service. Vehicle must be within the United States, have network coverage and be registered with Uconnect Access with an active subscription that includes the applicable feature. Additional roadside assistance charges may apply. Check warranty for details. [12] Always look before proceeding, electronic drive aid is not a substitute for conscientious driving; always be aware of your surroundings. [13] ACC is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. [14] FDW system is solely an alert system for the front of the vehicle which does not take any actions to change the vehicle dynamics to avoid a collision and is not a substitute for active driver involvement. [15] Always sit properly with the head restraint properly adjusted. Never place anything in front of the hood restraints. [16] Uconnect Access is available only on equipped vehicles purchased within the 50 United States. Services can only be used where cellular coverage is available. See coverage map for details. For a complete list of Uconnect Access services, please visit http://www.driveuconnect.com/features/uconnect_access/packages/. Vehicle must be registered for Uconnect Access and fulfill minimum subscription requirements. [17] LDW is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. [18] Transferable. See dealer for complete details and a copy of the 5-Year/60,000-Mile Powertrain Limited Warranty.
